Residential Sanitation Services

Residential household garbage is collected once a week, on Tuesday. Household garbage is not collected if it falls on a holiday, your garbage will be collected the next day.

All garbage must be bagged and securely tied. Excess garbage should not be placed against your trash can. Our truck has an arm that comes out to grab your can and must have plenty of clearance. Your container should be placed at the curb the Monday night. Your can must be rolled back from the curb no later than **noon** the day after collection. Failure to remove your roll-out from the curb may result in a \$5 fine per can each week it is left out by the curb.

Residential Sanitation Rate: \$22.00 per roll cart

Boxes should be broken down and placed inside your can for collection.

One roll cart is provided for each residence. All roll carts are the property of the City of Remerton. If you should move, the roll cart must remain at your former residence.

If you have a roll cart, you must place your roll cart by the curb Monday evening as we start collection as early as 3 AM and you will need to have your roll cart rolled back off by the following day at noon to avoid a \$5/can fine.
